Accordingly, in consideration of the mutual terms and conditions set forth in this Agreement, and other good and valuable consideration, the sufficiency of which the parties acknowledge, the parties agree as set forth in this Agreement.

(i) **Suggestions.** Customer grants Portal26 a royalty-free, worldwide, irrevocable, perpetual license to use, aggregate, alter or incorporate into the Services any suggestions, enhancement requests, recommendations, or other feedback provided by Customer or its employees and agents.

3. Users; Customer Responsibilities.

(a) **Users.** Users may include, for example, Customer's employees, consultants, contractors, and agents, and third parties with which or with whom Customer transacts its business using the Services. Platform User subscriptions cannot be shared or used by more than one User (but may be reassigned from time to time to new Users who are replacing former Users who have terminated employment or otherwise changed job status or function and no longer require use of the Service). Customer will assign its Users user identifications and log-in IDs ("User IDs"). Customer will also assign its Users an applicable level of privileges for use of the Services. Customer is responsible for all activities that occur under its and its Users' User IDs and shall immediately notify Portal26 of any unauthorized use of any User ID or any other known or suspected breach of security.

5. Confidentiality. The parties agree that (i) the Customer Data is Customer's confidential property, (ii) the Services, Documentation, pricing, discounts and the material terms of this Agreement are the confidential property of Portal26, and (iii) any other confidential business, technical, financial or other information disclosed by one party to the other pursuant to this Agreement is the confidential information of the disclosing party which is either marked "confidential" (or similar legend) or which a reasonable person should know is confidential given the nature of the information (collectively, "Confidential Information"). Each party agrees to only use the Confidential Information of the other party in a manner consistent with this Agreement. This Agreement does not transfer to a party any title to or ownership rights in the other party's Confidential Information. Each party shall exercise reasonable care to protect the confidentiality of the other's Confidential Information. Each party shall use reasonable efforts to ensure that the other's Confidential Information shall not be disclosed to, or used by, any person, association or entity except the party's employees and consultants who have confidentiality obligations consistent with this section, and then only to the extent necessary for the permitted use of the other's Confidential Information and consistent with the protection required by this Section. If a party transfers information to the other party that

includes any personally identifiable information, the transferring party warrants that it has all required consents to transfer such information. Notwithstanding anything in this Agreement to the contrary, Confidential Information shall not include information which is previously known to the other party without obligation of confidence or without breach of this Agreement; is publicly disclosed (other than by the recipient) either prior to or subsequent to the recipient's receipt of such information; is rightfully received by recipient from a third party without obligation of confidence; or is developed independently of the Confidential Information. The restrictions of this Section shall apply for the greater of (i) the term of this Agreement and for two years thereafter, (ii) the time period dictated by any applicable law, statute or regulation, or (iii) for any Confidential Information that constitutes a trade secret, as long as such Confidential Information remains a trade secret under applicable law. The recipient, with prior written notice to the discloser, may disclose such Confidential Information to the minimum extent it is required to be disclosed pursuant to the lawful requirement or request of a governmental entity or agency (including a court order or subpoena), provided that reasonable measures are taken to seek appropriate confidential treatment or a protective order, or to assist the other party to do so.

6. Warranties; Remedies.

(a) Services Warranties and Remedy. Portal26 warrants to Customer that the Services will perform in material conformance with the Documentation during the term of the applicable Order. Portal26 shall repair or replace a Service that does not perform as warranted in this Section or, if Portal26 is not able to do so, then Portal26 will refund Customer the applicable fees paid for the affected Services in the previous twelve months. The remedies set forth in this Section shall be Customer's sole remedies with respect to a breach by Portal26 of the Service warranty set forth in this Section.

(b) Mutual Warranties. Each party represents and warrants that: (i) it is validly existing and in good standing under the laws of the place of its establishment or incorporation; (ii) it has full corporate power and authority to execute, deliver and perform its obligations under this Agreement; (iii) the person signing this Agreement on its behalf has been duly authorized and empowered to enter into this Agreement; and (iv) this Agreement is valid, binding and enforceable against it in accordance with its terms.

(c) Disclaimer. EXCEPT FOR THE EXPRESS WARRANTIES CONTAINED IN THIS AGREEMENT, ALL OTHER WARRANTIES AND REPRESENTATIONS CONCERNING

SERVICES, SUPPORT SERVICES OR OTHERWISE RELATING TO THIS AGREEMENT, ARE HEREBY DISCLAIMED AND EXCLUDED, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

7. Payment Terms; Expenses; Taxes.

(a) Due Date; Late Payments. Portal26 shall invoice the SaaS Fee for the then-current term upon execution of the applicable Order, unless otherwise stated in the Order. All annual fees are payable in advance at the beginning of the then current term. All payments to Portal26 are due within thirty days after the date of Portal26's invoice. If any amount is not paid upon the due date, Portal26 may suspend access to the Services and will be entitled to receive the amount due plus interest thereon at the rate of 1.5% per month or the highest rate allowed under the law, whichever is lower from and after the date the amount was due. If Customer requires a purchase order be referenced on Portal26's invoice in order to process payment, then it remains the Customer's responsibility to provide such number to Portal26. If the date on the Customer's purchase order is different than the effective date of the Order, then the date on the Order shall supersede the date of the purchase order for payment purposes.

(b) Taxes. Customer shall pay all international, federal, state, or local tariffs, duties, withholdings, and taxes (other than taxes on Portal26's net income), including, without limitation, sales, use, excise, privilege, ad valorem, and property taxes, or amounts in lieu thereof, based on any fees or charges payable under this Agreement or based on the Services, their use, or any Support Services performed hereunder, whether such tariffs, duties, or taxes are now or hereafter imposed by those jurisdictions.

8. Indemnity.

(a) Infringement Indemnification. Portal26 agrees to defend or settle, at Portal26's option and expense, any third-party claim against Customer alleging that Customer's authorized and proper use of the Services constitutes an infringement of any patent, copyright, or trade secret enforceable in the Territory, and Portal26 agrees to indemnify Customer from any approved settlement or judgment against Customer related to such claim. Portal26 shall have no indemnification obligations to the extent any claim results from (i) use of the Services in combination with any other hardware or software supplied by any third person or entity other than Portal26 that is not listed in the Documentation; or (ii) any alteration or modification of the Services not provided by Portal26.

(b) Additional Service Remedies. In addition to the remedies described above, Portal26 may, at its option: (1) repair or replace the Services so as to make them non-infringing, or (2) procure the rights for Customer to continue using the applicable Services, or (3) if Portal26 determines that neither (1) nor (2) is commercially practicable, terminate the subscription to the applicable Service and promptly refund a pro rata portion of Customer's prepaid fees. THE REMEDIES SET FORTH IN SECTIONS 8(a) AND 8(b) ARE CUSTOMER'S SOLE REMEDIES WITH RESPECT TO ANY CLAIM SUBJECT TO THIS SECTION.

(c) Customer Indemnity. Customer agrees to defend or settle, at Customer's option and expense, any third-party claim against Portal26 alleging that any Customer Data violates any third party intellectual property or privacy right. Customer shall indemnify Portal26 from any approved settlement or final judgment against Portal26 related to such claim.

(d) Process. As an express condition to the foregoing indemnity obligations, the party seeking indemnity shall (i) promptly notify the indemnifying party in writing of any indemnifiable claim (a "Claim"); (ii) allow the indemnifying party, at its own expense, to direct the defense of the Claim; (iii) give the indemnifying party all information and assistance the indemnifying party considers reasonably useful to defend the Claim; and (iv) not enter into any settlement of any Claim without the indemnifying party's written consent.

9. Limitation of Liability. NEITHER PARTY SHALL UNDER ANY CIRCUMSTANCES BE LIABLE TO THE OTHER PARTY, OR ANY OTHER PERSON FOR ANY SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF GOODWILL, LOST PROFITS (EXCLUDING ANY PORTION OF THE FEES PAYABLE TO PORTAL26 WHICH REPRESENT PROFITS) WHETHER IN CONTRACT, TORT OR SERVICE LIABILITY, AND EVEN IF THE PARTIES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EXCLUDING EITHER PARTY'S INDEMNITY OBLIGATIONS UNDER THIS AGREEMENT, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY DIRECT LOSS OR DAMAGE IN EXCESS OF THE AMOUNTS PAYABLE BY CUSTOMER FOR THE APPLICABLE SERVICE GIVING RISE TO THE CLAIM IN THE PREVIOUS TWELVE MONTHS. FOR CLARITY, NOTHING IN THIS SECTION WILL LIMIT CUSTOMER'S OBLIGATION TO PAY ANY FEES PROPERLY DUE AND PAYABLE PURSUANT TO THE TERMS OF THIS AGREEMENT.

10. Termination.

(a) Termination for Material Breach. Either party may terminate this Agreement and all Service subscriptions, upon a material breach of the Agreement, if the breaching party does not cure the breach within thirty days after receipt of written notice from the non-breaching party specifying the breach. Failure to pay fees is considered a material breach by Customer. Termination by either party for breach shall not release the other party from any liability to the non-breaching party for such breach.

(b) Termination upon Insolvency. Either party may terminate this Agreement effective immediately by giving written notice to the other party if: (i) the other party becomes insolvent or admits a general inability to pay its debts as they come due, or makes an assignment for the benefit of creditors; (ii) a petition under any bankruptcy act is filed by the other party; or (iii) such a petition is filed by any third party or an application for a receiver of the other party is made by anyone and such petition or application is not dismissed within sixty days.

(c) Effect of Termination and Expiration of an Order. Upon any termination of this Agreement or termination or expiration of an Order: (i) all rights and subscriptions granted to Customer under the affected Order(s) shall immediately terminate, and (ii) Customer will permanently purge all copies of the Documentation. If Portal26 terminates an Order or this Agreement for a material breach by Customer, then all unpaid fees due under the affected Order covering the remainder any committed portion of the Order will accelerate and become due and payable. If Customer terminates an Order or this Agreement for a material breach by Portal26, then Portal26 will refund any pre-paid, unused fees for the remainder of the then-current term under the terminated Order. Termination or expiration of an Order without termination of the Agreement will not affect any other outstanding Orders.

11. General Provisions.

(a) Amendments. Except as otherwise specifically set forth in this Agreement, this Agreement may not be amended or modified except in a writing signed by both parties, and any attempt at oral modification shall be void and of no effect. Notwithstanding the foregoing, Portal26 may unilaterally amend or update any Exhibit or Portal26 policy from time to time in its sole discretion.

(b) Entire Agreement. This Agreement, including any Orders, contains all the understandings between the parties on the subject matter of this Agreement and supersedes any prior oral or written understandings. There are no other inducements, warranties, representations or

agreements regarding the matters herein between the parties except as set forth in this Agreement. If a purchase order or similar document is required by Customer, the parties agree that any additional terms shall not become part of the Agreement and are deemed rejected.

(c) Incorporation by Reference. All Orders and Exhibits referenced in this Agreement are hereby incorporated by reference and made a part of this Agreement.

(d) Applicable Law. This Agreement shall be governed by and construed under the laws of the State of California, without regard to its conflicts of law provisions. In any action to enforce this Agreement, the prevailing party will be entitled to costs and attorneys' fees from the non-prevailing party. The parties submit to the exclusive personal jurisdiction of, and agree that any legal proceeding with respect to or arising under this Agreement shall be brought in the United States District Court for the Northern District of California or the state courts of the State of California. The parties specifically exclude the United Nations Convention on Contracts for the International Sale of Goods.

(e) Waivers. The failure or delay of any party to exercise any right or option arising out of a breach of this Agreement shall not be deemed a waiver of any right or option with respect to any subsequent or different breach, or the continuance of any existing breach, after demand for strict performance.

(f) Interpretation. If any provision of this Agreement is declared void or unenforceable for particular facts or circumstances, such provision shall remain in full force and effect for all other facts or circumstances. If any provision of this Agreement is declared entirely void or unenforceable, such provision shall be deemed severed from this Agreement, which shall otherwise remain in full force and effect.

(g) Notices. Any notice required or permitted to be given by either party under this Agreement shall be provided in writing to the other party to the address set

forth in the Order and shall be personally delivered or sent by nationally recognized overnight commercial courier service (e.g., UPS, FedEx) to the other party at such address, or such new address as may from time to time be supplied hereunder by the parties.

(h) Assignment. Neither this Agreement nor any rights, subscriptions, or obligations hereunder, may be assigned by either party without the prior written consent of the other party, provided such approval shall not be unreasonably withheld or delayed. Notwithstanding, either party may assign this Agreement without consent upon the sale of all or substantially all its assets, merger, or reorganization. Any attempted assignment in violation of this Agreement shall be void and without effect. Subject to the foregoing, this Agreement will benefit and bind the parties' successors and assigns.

(i) Relationship of the Parties. Each party is an independent contractor in the performance of this Agreement. Neither party nor its agents or employees are the representatives of the other party for any purpose and neither party has the power or authority as agent, employee or any other capacity to represent, act for, bind or otherwise create or assume any obligation on behalf of the other party for any purpose whatsoever.

(j) Force Majeure. Neither party to this Agreement shall be liable for delays or failures in performance (other than payment of money for breach of confidentiality requirements) resulting from acts or events beyond the reasonable control of such party.

(k) Reference. During the term of this Agreement, Customer grants Portal26 a limited, non-exclusive right to place Customer's trademarks and logos on Portal26's web site and marketing materials solely for the purpose of identifying Customer as a customer of the Services.

(l) Survival. Upon termination of this Agreement, the provisions of this Agreement concerning the ongoing interests of the parties shall continue and survive in full force and effect including, without limitation, Sections 5 through 11.
